URL:

Company Description:

IBMU was founded in 2001 in an initiative of the Iraqi businessmen in the private sector stimulating them their true intentions to serve the national economy and became a member in the administration board of Arab Businessmen Union.
The union is a non-governmental, non-for-profit, vocational and economic organization. It has a legal entity and an administrative and financial independence.
It represents the private sector, it cares about economic issues and it is an organization of community benefits. IBMU gears all of its efforts towards uniting and engaging the Iraqi business community, and to provide a dynamic business and a civic leadership to develop and sustain a prosperous economy and a vibrant community.
